The tour will begin at our meeting point, where you will join our guide for a guided **exploration of the historic city center**, the oldest area of Porto, **classified as a UNESCO World Heritage Site since 1996**.

From **Avenida dos Aliados to Porto Cathedral**, our guided walking tour will pass through charming historic streets, **grand buildings and several landmarks** of incalculable cultural value.

Along the way, we'll visit the **iconic São Bento Station**, built at the beginning of the 20th century on the exact site of the former convent, to admire the **20,000 famous tiles painted by Jorge Colaço**, which represent the **history of Portugal**.

The last stop on the **walking tour will be Porto Cathedral**, one of the city's oldest monuments, founded in the **12th century on the initiative** of its first bishop, D. Hugo. Our guide will explain the **architecture** of the building from the outside and show you **incredible views** over the river and the **wine cellars in Gaia**.

Now it's time to discover the **Port Wine Cellars in Vila Nova de Gaia**. We'll board our comfortable minibus and head to the Port Wine Cellars in Vila Nova de Gaia, where our **famous wine matures** to achieve its unique flavor. The tour ends with a delicious **tasting of Port Wine**. This immersive experience will conclude the **morning and whet your appetite for lunch**. Back in Porto, it's time for lunch. You'll be given free time to have lunch in the city, feel free to ask your guide for some good references in town!
